RF-170 GIANT ROTO-FLEX™ CUTTER

The Seatek™ RF-170 cuts up to 1-1/2" flex or armored cable in seconds leaving a clean end. It is light weight to keep in your side pouch and heavy enough to last for years. It makes cutting BX and Greenfield conduit easy and precise. Cutting in tight quarters is easy and fast. The self-tightening blade system prevents you from damaging the cable. The RF-120B includes a blade storage cartridge in the knob with room for up to 6 spare blades.

Perfect for the electrician. Proudly made in the USA.
