

SA-200L LARGE STRIP-ALL® STRIPPER

The Seatek™ SA-200L is a handy tool to keep in your tool bag. It is great for cutting welding cable, and cuts up to 7/8" cables. The SA-200L is a safer alternative to hook knives on the jobsite.

Great for the electrician. Proudly made in the USA.

SA-200L LARGE STRIP-ALL® STRIPPER
