## MAXIS® MULTI-SHOE BENDER

The Maxis® Multi-Shoe Bender incorporates multiple-shoe groups for a lightweight highly transportable bender.

- **Muscle Through The Most Demanding Jobs** – Ultra-rigid drivetrain optimizes power and efficiency aiding with the most difficult of bends
- **Consistent Bending Performance** – Precision engineered chassis helps to provide a smooth bending experience
- **Resists Wrinkling** – Advanced pressure pedal and roller system for wrinkle-free bends on EMT & IMC conduit
- **Precision Straight-Track Shoe Mounting** – Proprietary shoe mounting design self-aligns & auto-centers the shoe for uniform, clean bends
- **Accurate Bending** – Large, easy-to-read degree protractor with adjustable pointer arrow for precise bends
- **Convenient Storage** – Incorporated Operator’s Manual Storage canister and an accessible storage pouch for tools and accessories assists with keeping you organized
- **Well Designed For Long Life** – \*5 year industry leading warranty has you covered
