

# Southwire™

## 4" ROUND PAN BOX EXTENSION RING

1/2" DEEP, FIXTURE EARS 3-1/2" ON CENTER

### FEATURES

- Slotted pan box mounting tabs for easy installation

### APPLICATIONS

- Pan extension rings are used to mount ceiling and wall lighting fixtures and to provide additional wire capacity when needed on existing pan boxes
- Pan box extension rings prevent the need to replace old pan boxes and wiring from circuits when additional wiring is needed

### STANDARD MATERIAL

- Galvanized steel

### CERTIFICATIONS

- UL Listed

57111
