

Southwire™

4" SQUARE BOXES

1-1/2" DEEP - DRAWN WITH CONDUIT KNOCKOUTS

FEATURES

- Combination knockouts allow for greater wiring flexibility
- Drawn boxes are ideal for surface mounting.

APPLICATIONS

- 4" square boxes are used to distribute power to a number of electrical devices where multiple conductor runs are split into two or more directions

STANDARD MATERIAL

- Galvanized steel or 316 stainless steel

CERTIFICATIONS

- UL Listed

52151-1/2DR
