

Adjustable hole saw featuring black oxide blades, cleanly and efficiently cuts precise holes in drywall and ceiling tiles.

3/16" pilot bit with 5/16" arbor bit shank fits most 3/8" and 1/2" drill chucks

Black oxide blades for longer blade life

Open slot design with 1/2" increments for easy blade adjustment to cut holes from 2-1/2" to 7"

Disc-shaped mandrel balances blades for stable and clean cuts

### Features & Benefits

- 10 blade adjustment positions ranging from 2-1/2" to 7"
- Black oxide blades cut cleanly through drywall and ceiling tiles
- Hex key adjustment allows for easy movement of blade
