# Profusion® Access Control Cable

Fewer Hassles, More Profit

Make Security Installations Easier

Decrease material costs by up to 16% and reduce entry point wiring time by up to 30% with Profusion Access Control Cable. Color coded and unconstrained by binders, adhesives or thick overall jackets, Profusion is twisted together like a rope, bundling individual lock power, door contact, card reader and request-to-exit wiring in a single jacketless cable.

Profusion Access Control Cable Applications & Features

Genesis' Profusion Access Control Cable delivers the ideal balance of reliability and ease of use. Its color-coded components allow for **quick identification** and **are easily separated for efficient terminations.** This cable remains unified for smooth, snagless runs, making your job easier.
