

# ProLight™ 20w Dock Light

The ProLight™ Dock Light features a high powered 20 watt LED head, delivering 1,700 lumens and a 15° beam angle. It also features a durable 40” steel arm to provide superior rigidity and prevent sagging. Arms are hinged for easy extension and compact folding when not in use. With a 60ft lighting range, this dock light will be sure to light up even the longest trailer for efficient loading and unloading.

• LED Lighting

• 60 ft Beam

• Durable and Versatile

• No hot surfaces

• Pure white light
