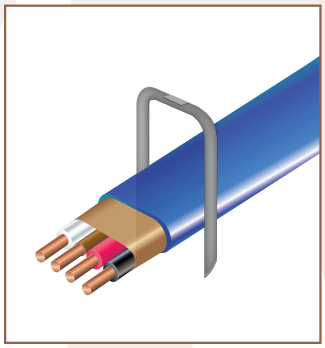
ROMEX™ BRAND METAL STAPLES

The only way to firmly secure residential cables to wooden studs is with Romex™ Brand Staples! These metal staples are manufactured from carbon steel to provide strength and reliability. Romex™ Brand Staples are engineered with recessed heads to protect cable jackets, sharper tips for easier starting and are practically oil-free for cleaner handling.

Romex™ Brand Staples are available in 1/2" and 9/16" width sizes and are designed to a contractor-preferred length to accommodate varying cable size ranges. These metal staples are intended to be driven into wood with a hammer.



QUALITY METAL STAPLES USED TO KEEP ROMEX™ BRAND NM CABLE IN PLACE

POINTED LEGS DRIVE IN STRAIGHT & LIMIT SPLITTING OF WOOD

RECESSED HEADS DRIVE FAST & PROTECT CABLE INSULATION

SHARP TIPS FOR EASIER STARTING
